

CAROLYN BRODERICK

Carolyn Broderick is a Senior HR Analyst at Mount Sinai Hospital with responsibilities for HR data management, reporting and analytics.

Carolyn recently held the position of senior consultant with DeFoe Associates, a consulting firm that implements and optimizes HR technology, where she was responsible for process improvement and data analytics. Previously, Carolyn was manager, strategic data within Prudential Financial's Corporate Diversity and Inclusion office where she was responsible for database management and data analysis functions, systems implementation, system upgrades, technical consultation, website design and regulatory reporting.

Carolyn has significant experience in all types of technology, social media and website design.

Carolyn holds a certificate in Labor Relations from Rutgers. She earned a BA in English from Kean University, an MA in Liberal Studies from Monmouth University and holds the SPHR designation from the Human Resource Certification Institute and the SHRM-SCP designation from the Society of Human Resource Management (SHRM). In addition, Carolyn has an HRIP designation from IHRIM (International Association of HR Information Management).

Carolyn was a member of the National SHRM HR Technology Expertise Panel from 2011-2015. She was also the IT director for the Garden State Council HR Conference from 2011 to 2014.
